

Neighborhood Groups (NG)

At the heart of each Chapter is the Neighborhood Groups (NG). Each NG meets at different locations and times to provide an informal opportunity for “hands-on” sewing experiences; give friendly support, and a place to meet other Guild members to share sewing ideas and information. Members may participate in as many Neighborhood Groups as they wish and are not limited to only those geographically closest to their home. Guests may attend up to two Neighborhood Group meetings prior to joining a chapter.

American Sewing Guild

The American Sewing Guild is an organization for people who think sewing is a creative and rewarding activity. People who feel that sharing the benefits and joys of sewing is almost as much fun as sewing itself. The Guild provides up-to-date sewing information and a friendly support system for sewers at all levels of experience.

ASG Headquarters

ASG National Headquarters is the link to all Chapters in the Guild network. Chapter records and membership files are maintained in a central database. The management of ASG affairs is conducted by Headquarters Staff. Through ASG, the sewing consumer has a voice to the sewing industry.

Each year ASG hosts a conference giving all Guild members the opportunity to meet sewing professionals, industry representatives, and other sewing enthusiasts from around the country and to participate in sewing seminars and sewing related special events and tours.

Publications

Guild members receive the American Sewing Guild's national publication **Notions** ... filled with an inspiring variety of projects and tips, the latest sewing industry news, new products, introductions to sewing experts, and Guild news.

The Grand Rapids Chapters' local newsletter, STITCHES ON THE GRAND, publishes four issues a year. This publication communicates Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features inspirational articles.

Guild Chapters

The Guild is made up of over 120 chapters with nearly a thousand Neighborhood Groups. Chapters promote sewing in their local communities through encouragement, assistance and instruction. They also host social events such as **fashion shows** or **sewing fairs** and many do sewing related **service projects** for their community. Through their Chapter, Guild members can increase confidence and expand individual skills at **classes**, **demonstrations** and **lectures** by experts.

Chapter Advisory Board

Each Chapter operates under the guidance of a volunteer Chapter Advisory Board comprised of chapter officers and committee chairs. Members are encouraged to become actively involved with their chapter by volunteering to serve on chapter committees. It is the sure way to make lots of new sewing friends fast!

ASG Mission

*Advancing sewing
as an art and life skill.*
